Now hiring for all positions. Compass Sleep Products was incorporated in 2022 as a Florida forprofit corporation. Compass is a Florida mattress manufacturer committed to producing quality mattresses and creating good paying jobs. The company recently completed the construction of a 36,000-sf manufacturing plant in Greenville, FL, (Madison County). Compass has been selected as the exclusive Florida supplier for the SpringAir® mattress company, one of the nation's largest mattress distributors. Compass's manufacturing equipment is completely installed and ready to start production.
